

Outagamie Forage Council and Midwest Forage Association
2025 Annual Meeting & Educational Program
Buzz's Pub & Grill – W2116 County Rd S, Freedom, WI 54130
Thursday, February 13, 2025
9:30 a.m. Registration 10:00 a.m. Meeting

Hold the Date for the Outagamie Forage Council
Annual Meeting and Educational Program
Thursday, February 13, 2025
Buzz's Pub & Grill - Freedom

Featured Speakers this year include **Dr. Luiz Ferraretto**, Dairy Science, UW-Madison and **Dr. Scott Newell**, Alfalfa Outreach Specialist, UW-Madison Division of Extension

We will be going back to basics – **Corn Silage and Alfalfa** will be the emphasis of the meeting. Dr. Ferraretto will discuss the new way corn silage is being analyzed as UW Madison Division of Extension moves from MILK 2006 to MILK 2024. Dr. Newell has revisited previous information and recommendations as it relates to the last cut timeframe and developed a useful tool that can help farmers in their decision making process.

As always, we will have the annual business meeting followed by the auction fundraiser which supports the extensive education, outreach, and research projects the Outagamie Forage Council is known for conducting.

Look for a full registration form to be mailed when meeting details have been finalized.

Have a safe and productive finish to the fall harvest season and we look forward to seeing you all in February!

Kevin Jarek

Advisor, Outagamie Forage Council
